

## Our Company

## Premium Kitchen & Bathroom Products

Arstar Vanity tops, is a result of the SEMEX Group diversification strategy, combined with our extensive knowledge in the manufacturing of resin based products. Founded in 2002, to service the kitchen & bath industry with a portfolio of products as cultured marble vanity tops, kitchen sinks, laundry sinks, vanities and accessories, including Lazy Susan turntables.

Arstar headquarters are located in the industrial area, of Monterrey, Mexico and has a USA warehouse in Houston, Texas. We serve several countries in North America, South America, Central America and the Caribbean.

Our staff is fully committed to meet and exceed the highest quality standards in the industry. We pride ourselves to be one of the best companies of cultured marble products in America, offering great solutions for your customers' needs and making quality one of our main core values.

We meet and/or exceed quality standards and certifications such as:

CSA B45. 5.11  
IAMPO Z124-2011  
ISO 9001:2008
