PREMIUM KITCHEN & BATHROOM PRODUCTS

**PRODUCT
GUIDE**

VANITY TOPS

Newly designed vanity tops that bring balance and harmony to any space. Available in Traditional, Transitional, Contemporary, and Modern styles, with 19" or 22" depths. Offered in marble-look, granite-look, and solid surface finishes for your bathroom.

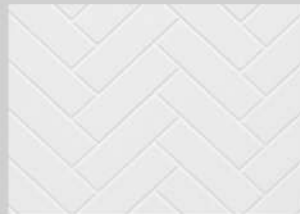

SHOWER PANS

Arstar shower bases are designed to deliver durability, comfort, and a clean, modern aesthetic. Manufactured from high-quality materials, they provide a solid, low-profile foundation that ensures reliable performance and long-lasting use.

SHOWER WALLS

Arstar's new shower walls are lightweight and durable. We have three different styles that can create an amazing bathroom. They are easy to install directly to the studs. You can make them on granite colors or solid colors.

All vanity tops come ready for installation, allowing you to refresh your bathroom in just a few simple steps.

Designed for easy care and cleaning using non-abrasive products.

VANITY TOPS

ALEXA

A contemporary square vanity top with a clean, minimalist design. Its balanced proportions and refined geometry make it an ideal choice for modern bathroom spaces.

NEW ERA

A vanity top that blends classic appeal with contemporary design. This model includes an integrated overflow and backsplash, offering both timeless style and everyday functionality.

DROP IN

Designed for easy remodeling, this drop-in sink fits seamlessly into existing or new countertops. Available in oval and square configurations for versatile installation.

CAPRI

A contemporary vanity top featuring an elegant wave-shaped bowl. Its symmetrical design brings a refined visual balance to the bathroom, crafted in a compact 19" depth.

VANITY TOPS

19" SERIES

Featuring a 19" standard oval bowl with space-saving depth, this series is ideal for smaller bathrooms. It includes an integral backsplash, a built-in soap dish, and a no-drip edge. Pre-drilled for 4" centerset faucets, it delivers functionality without sacrificing style.

22" SERIES

A classic recessed oval design with a larger, more spacious bowl. The refined recessed rim creates a clean, elegant outline, while the integral backsplash and no-drip edge enhance everyday performance. Pre-drilled for 4" centerset faucets.

CAMILA

A traditional design with a deep, square basin that brings a refined, designer look to 22" depth vanity tops. Features include an integral backsplash, a no-drip edge, and pre-drilled holes for 4" centerset faucets.

CONTEMPO

A contemporary vanity top featuring an elegant wave-shaped bowl that adds a modern statement to any bathroom. Available with or without an integral backsplash, it is pre-drilled for 4" centerset faucets and designed in a 22" depth for a balanced, stylish profile.

SHOWER WALL

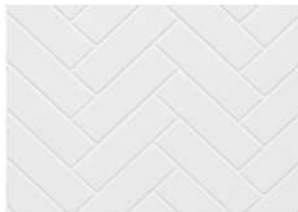

BRICK 6 X 24

A sleek, elongated brick format that creates a clean and modern look. Ideal for contemporary bathrooms, it enhances vertical or horizontal lines while maintaining a minimalist aesthetic.

BRICK 12 X 24

A larger brick format designed for a seamless and elegant appearance. Its balanced proportions reduce visual joints, delivering a refined and spacious feel to the shower area.

CHEVRON

A timeless herringbone pattern that adds movement and sophistication. Perfect for statement shower walls, it brings texture and visual interest while maintaining a clean, architectural style.

SHOWER PAN

36" X 36" SHOWER PAN CENTER

A compact and versatile shower base designed for modern bathrooms. Its clean geometry and centered drain provide balanced drainage and a minimalist appearance, ideal for contemporary residential applications.

36" X 48" SHOWER PAN CENTER

A spacious shower base that offers enhanced comfort without compromising style. Featuring a centered drain and smooth surface, it delivers efficient water flow and a clean, modern aesthetic suitable for a wide range of bathroom layouts.

36" X 60" SHOWER PAN RIGHT

Designed for larger shower spaces, this elongated shower base features a right-side drain configuration for flexible installation. Its sleek profile and modern lines create a refined, functional foundation for contemporary bathrooms.

32" X 60" SHOWER PAN CENTER

A slim-profile shower base ideal for narrow layouts. With a centered drain and streamlined design, it ensures efficient drainage while maintaining a clean, modern look that complements minimalist bathroom designs.

PREMIUM KITCHEN & BATHROOM PRODUCTS

Arstar Vanity Tops are the result of SEMEX Group's diversification strategy, combined with decades of expertise in the manufacturing of resin-based products. Founded in 2002, Arstar was created to serve the kitchen and bath industry with a comprehensive portfolio that includes cultured marble vanity tops, kitchen sinks, laundry sinks, vanities, and accessories such as Lazy Susan turntables.

Our headquarters and manufacturing facilities are located in the industrial area of Monterrey, Mexico. From there, we serve customers across North America, Central America, South America, and the Caribbean.

At Arstar, our team is fully committed to meeting and exceeding the highest quality standards in the industry. We take pride in being one of the leading cultured marble manufacturers in the Americas, delivering reliable solutions tailored to our customers' needs while making quality one of our core values.

QUALITY STANDARDS & CERTIFICATIONS

Arstar products meet and/or exceed the following standards and certifications:

/Arstar Inc.

The background of the entire page is a close-up, high-resolution image of a white marble surface. It features intricate, flowing veins of light gray and beige, creating a classic, elegant pattern. The lighting is soft, highlighting the natural texture and subtle variations in the stone's color.

WE CREATE UNIQUE SPACES

Arstar manufactures a full line of cultured marble vanity tops in elegant white tones, featuring spray-on granite technology with gloss or matte finishes. Our extensive selection ranges from traditional recessed ovals and wave bowls to modern rectangular and square vanity tops for bathrooms, kitchens, and laundry areas. As a vertically integrated manufacturing facility, we deliver distinctive designs, superior quality, and a wide variety of unique styles and colors.
